 - Supply & Installation of power basement units
 - Electro technical works
- **Zangezur Copper Molybdenum Combine CJSC, Office in Yerevan**
(“Kamar” Business Center, 2 V.Sargsyan Str., Yerevan, Armenia)
Construction volumes:1300m²
 - Construction and installation of ventilation and air conditioning
- **The museum of Khrimian Hayrik of Mother See of Holy Etchmiadzin (Vagharshapat, Armavir province, Armenia)**
Construction Value: 1 100 m²
 - complete deconstruction of the roof
 - thermal insulation and waterproofing

- refractory of the roof treatment
- construction of the new basement of the roof
- installation of the dormer windows
- mounting of copper roofing
- **Hayordats Tun of Mother See of Holy Etchmiadzin** (Vagharshapat, Armavir province, Armenia)
Construction Value: 5 000 m²
 - installation works of ventilation system & inlet-outlet ventilation units with automation
 - installation and adjustment of air conditioning and refrigeration units
 - integration and installation of VRF multi zone air conditioning system
 - electrotechnical works
 - construction and reconstruction works
- **The Cultural House Kajaran City** (2 Lernagnatsneri, Kajaran, Syunik province, Armenia)
Construction Value: 1 660 m²
 - architectural and area lighting projecting and modeling
 - cinema interior lighting calculation and modeling
 - supply of lighting equipment and mounting author supervision
 - chief installation and programming of the «DALI» control system
- **Grand Candy LLC** (55/11 Bagratunyats Str., Yerevan, Armenia)
Construction Value: 1 647 m²
 - protective covering of external ducts
- **Coca-Cola HBCA CJSC** (3 Azatutyan ave., Yerevan, Armenia)
Construction Value: 230 m²
 - implementing, supply and installation works of ventilation and air-conditioning systems of new visiting center
- **Gastropolis Food Market** (2 Vazgen Sargsyan Str., Yerevan, Armenia)
Construction Value: 685 m²
 - calculation of interior lighting
 - supply of lighting equipment
- **The museum of Arshile Gorky of Mother See of Holy Etchmiadzin**
(Vagharshapat, Armavir province, Armenia)
Construction Value: 1 100 m²
 - calculation and installation works of air conditioning and ventilation recirculation systems
 - calculation and installation works of compressor-condenser unit of refrigeration system
 - reconstruction of roof, repair works of roof cover and waterproofing
 - interior finishing works
 - calculation and installation works of antifreeze automation systems
- **Grand Candy LLC** (55/11 Bagratunyats Str., Yerevan, Armenia)
Construction Value: 13 596 m²
 - calculation of air conditioning and ventilation systems
 - installation of inlet-outlet ventilation systems with automation
 - installation and adjustment of air conditioning and refrigeration units
 - construction and installation of hydraulic manifolds and pipelines
 - electrotechnical works
- **Old Norq Business Center** (20 G. Hovsepyan Str., Yerevan, Armenia)
Construction Value: 22 460 m²
 - supply of air conditioning and ventilation systems
 - supply of heating systems

- supply of floor heating systems and other equipment for boiler room
- **Mother See of Holy Etchmiadzin, Patriarchate Residence** (Vagharshapat, Armavir province, Armenia)
Construction Value: 20 m²
 - supply, installation and launch of fountain system
- **Medical Horizon LLC** (22 Gortsaranain Str., Masis, Ararat province, Armenia)
Construction Value: 450 m²
 - supply and installation of air conditioning and ventilation systems
- **Coca-Cola HBCA CJSC, Offices** (3 Azatutyan ave., Yerevan, Armenia)
Construction Value: 160 m²
 - supply and installation of multi zone ventilation system at the offices
- **Private House in Ashtarak** (Ashtarak, Aragatsotn province, Armenia)
Construction Value: 2 900 m²
 - supply of air conditioning and ventilation systems
 - supply of heating systems
 - supply of floor heating systems and other equipment for boiler room
- **Slav Group CJSC** (1 Haghtanak district, Yerevan, Armenia)
Construction Value: 3 000 m²
 - projecting of outdoor lighting
 - supply of lighting equipment and metal posts for outdoor lighting
- **Zeppelin Armenia LLC, Production Areas** (4 Artadrakan, 2 district, Abovyan, Kotayk province, Armenia)
Construction Value: 1 414 m²
 - electrical wiring of production areas
 - planning, supply and installation of lighting equipment for production areas
- **Park Village Hotel** (18/4 Pahlavunyats Str., Tsaghkadzor, Kotayk province, Armenia)
Construction Value: 2 200 m²
 - supply and installation supervision of lighting equipment
- **Coca-Cola HBCA CJSC, Bathrooms and Checkrooms** (3 Azatutyan ave., Yerevan, Armenia)

Construction Value: 4 464 m²
 - construction of the boiler house and heating of industrial areas
 - supply of the heating equipment for industrial areas and boiler house
- **Coca-Cola HBCA CJSC, Workshop of Syrup Production** (3 Azatutyan ave., Yerevan, Armenia)
Construction Value: 135 m²
 - supply and installation of inlet and outlet ventilation systems
- **International Masis Tabak Canteen** (10 Gortsaranain Str., Masis industrial hub, Ararat province, Armenia)
Construction Value: 970 m²
 - calculation, supply and installation of air conditioning and ventilation systems
- **Armenia International Airports CJSC** ("Zvartnots" Airport, Yerevan, Armenia)
Construction Value: 500 m²
 - supply of lighting equipment

- **The Central Square of Kapan City** (Kapan, Syunik province, Armenia)
Construction Value: 1 900 m²
 - supply and installation of fountain system
 - installation and commissioning of fountain system
 - electrical wiring
 - modeling and calculation for external lighting
 - supply and installation of lighting equipment and lighting columns
 - projecting and calculation of architectural lighting
 - installation works
- **Vallex Garden Hotel Banquet Hall** (35 N. Stepanyan Str., Stepanakert, NKR)
Construction Value: 250 m²
 - projecting of interior lighting, supply of lighting equipment
- **Coca-Cola HBCA CJSC, Warehouses of Finished Products** (3 Azatutyan ave., Yerevan, Armenia)
Construction Value: 1 550 m²
 - supply of industrial fan coils
 - equipment's integration of heating and cooling systems
 - installation of heating pipelines and fan coils
 - installation of heating system
- **Dargett Beerhouse** (72 Aram Str., Yerevan, Armenia)
Construction Value: 672 m²
 - calculation, supply and installation of heating and ventilation systems
 - calculation, supply and installation of air conditioning systems
 - installation of internal sewerage and water supply system
 - electrical wiring
 - projecting, supply and installation of façade and interior lighting equipment
- **Zeppelin Armenia LLC** (4 Artadrakan, 2 district, Abovyan, Kotayk province, Armenia)
Construction Value: 1 044 m²
 - supply of lighting equipment
 - installation works
- **Coca-Cola HBCA CJSC** (3 Azatutyan ave., Yerevan, Armenia)
Construction Value: 600 m²
 - supply and installation of ventilation and air conditioning systems
- **The Printing House of Mother See of Holy Etchmiadzin** (Vagharshapat, Armavir province, Armenia)
Construction Value: 1 740 m²
 - calculation and installation of ventilation and air conditioning recovery system
 - calculation and installation of central refrigeration and air conditioning system
- **Boghossian Gardens Foundation** (21 M. Bagrhamyan ave., Yerevan, Armenia)
Construction Value: 17 240 m²
 - supply of lighting equipment
- **International Masis Tabak Tobacco Processing Factory** (10 Gortsaranain Str., Masis industrial hub, Ararat province, Armenia)
Construction Value: 2 800 m²
 - calculation, supply and installation of recirculating ventilation systems and air conditioning
- **Vallex Garden Hotel Hotel Complex** (35 N. Stepanyan Str., Stepanakert, NKR)
Construction Value: 17 500 m²
 - projecting of interior, landscape and architectural lighting

- electrical wiring
- supply and installation of lighting equipment
- **Dalma Garden Mall Shopping and Entertainment Complex** (3 Tsitsernakaberd highway, Yerevan, Armenia)
Construction Value: 15 200 m²
 - projecting of territorial lighting and electrical wiring
 - supply and installation of lighting equipment and columns for external lighting
 - design, supply and installation of fountain systems
- **Ingo Armenia ICJSC** (51/53 Hanrapetutyan Str., Yerevan, Armenia)
Construction Value: 765 m²
 - installation of power supply unit for the main and internal junctions
 - supply and installation of heating systems and water and sewerage systems
 - calculation, supply, installation of ventilation systems and air conditioning
- **Mika Football Stadium** (41 Manandyan Str., Yerevan, Armenia)
Construction Value: 3 800 m²
 - projecting and calculation of football stadium lighting
 - supply and installation of lighting equipment
- **Republica Hotel** (7 Amiryan Str., Yerevan, Armenia)
Construction Value: 3 180 m²
 - installation of power supply unit for main and internal junctions
 - calculation, supply and installation of heating and ventilation systems
 - calculation, supply and installation of air conditioning systems
 - installation of internal and external sewerage, water supply system and the pumping station
 - projecting, supply and installation of interior, exterior and façade lighting equipment
- **Masis Gofrotara LLC** (10 Gortsaranain Str., Masis industrial hub, Ararat province, Armenia)
Construction Value: 1 800 m²
 - calculation, supply and installation of air conditioning and recirculating ventilation systems
- **Multifunctional Residential Building** (86 Aram Str., Yerevan, Armenia)
Construction Value: 11 465 m²
 - installation of water and sewerage junctions and vertical communications
 - installation of main power supply unit and distribution boards
 - calculation, supply and installation of pumping station and ventilation system
- **P. Buzand Street** (Yerevan, Armenia)
Construction Value: 900 m²
 - supply and installation of exterior sewerage systems and manholes
- **Tufenkian Historic Yerevan Hotel Complex** (48 Hanrapetutyan Str., Yerevan, Armenia)
Construction Value: 1 600 m²
 - projecting of architectural and landscape lighting
 - supply and installation of lighting equipment
