Below is the list of projects completed by "WAEELCON" LLC since its establishment:

"Avan Dzoraget" hotel, D&W , "TUFENKIN HOSPITALITY" LLC

Village Dzoraget, region Lori, Armenia

Construction Value: 510 m2

- Engineering calculations and measurements
- Import of aluminum profiles, fittings and accessories
- Production, supply and installation of aluminum constructions, doors and stained glass windows.

"HIN ARENI" CJSC, Wine Factory

ter. 7, 1st lane, st. 43, Areni village, Vayots Dzor region, RA

Construction Value: 4000 m2

- Earthworks and basic site preparation of the building
- Implementation of the rebar framework of the base, concreting and waterproofing
- Implementation of the rebar framework and concreting of the monolithic reinforced concrete columns, beams and frames
- Implementation of the reinforced concrete foundation and rebar framework of the wall
- Concreting and waterproofing of reinforced concrete base and the wall
- Implementation of the rebar framework and concreting of the monolithic reinforced concrete roof, stairwells and the wall

"Medical Horizon" LLC, Two-Store Building, Factory PART II

Bld. 8, Hrant Vardanyan str., Masis, Ararat province, Armenia

Two-Store Building

Construction Value: 1 470 m2

- Plasterboard wall internal finishing of external walls and implementation of internal partitions
- Calculation, supply and installation of ventilation, air conditioning, heating systems equipment
- Calculation, supply and installation of boiler room equipment
- Calculation, supply and installation of internal water supply and domestic sewage system
- Electric installation works

Factory

- Calculation, supply and installation of ventilation, air conditioning, heating systems equipment

Construction of a winery building, "TUFENKYAN HOSPITALITY" LLC

RA, Vayots Dzor region, Areni village, 15th st.

Construction Value: 504 m²

- Land and basic preparatory work of the building
- Forming, concreting and waterproofing the reinforcing frame of the foundation
- Construction of reinforced concrete structures
- Execution of external and internal walls
- Flat roof construction
- Implementation of waterproofing and drainage systems
- External and internal finishing works

"Cultural Center" in Areni community, Vayots Dzor region

5, 16 str., Areni village, Areni community, Vayots Dzor region, Armenia

Construction Value: 5030 m²

- The General Contractor's activity within the framework of the complex construction: regulation, control, inspection, delivery and acceptance of the works carried out by the Contractor/subcontractor organizations, and implementation of other organizational works.
- Implementation of construction works, supply of goods, materials and services, provision of the required construction machines or equipment within the scope of the General Contractor's authority and with the involvement of its own labor force and machinery.
- Organization and mobilization of the construction site
- Complex earth works
- Basic site preparation of the main buildings and the hall construction
- Formation of a reinforced foundation base, concreting and waterproofing
- Construction of reinforced concrete structures
- Stairs construction
- Construction of reinforced concrete retaining wall
- Facing works
- Interior finishing works
- Roof construction, waterproofing and drainage
- Manufacture and installation of metal elements
- Manufacturing, supply and installation of aluminum doors, windows and stained-glass windows
- Supply and installation of all types of engineering equipment
- Construction of the boiler room and system integration
- Outdoor water supply and drainage system implementation
- Indoor water system implementation
- Implementation of household sewerage system and wastewater treatment system
- Pumping stations construction
- Implementation of ventilation, air conditioning, heating systems
- Implementation of electrical works
- Diesel generator installation
- Installation of an irrigation system include pumping station, construction of a reservoir
- Implementation of architectural and facade lighting of buildings
- Landscaping, organization of a playground
- Implementation of area lighting
- Landscape gardening of the area

"TECHNOTUN" LLC, Multi-apartment residential building

RA, Yerevan, Arabkir administrative district, st. Aghbyur Serob 50

Construction Value: 15 800 m²

- Calculation and design of air conditioning, smoke exhaust and heating systems, supply of equipment and construction and installation works
- Calculation and design of boiler room systems, equipment supply and construction and installation works
- Calculation and design of the internal water supply network, pumping station and domestic sewage systems, equipment supply and construction and installation works
- Calculation and design of the fire extinguishing system and the adjacent pumping station, equipment supply and construction and installation works
- Calculation of the tank connection unit, equipment supply and construction and installation works

RA Gavar city, Supply of the fountain system of the central square

Gavar city, Gegharkunik region, RA

Construction Value: 705 m²

- Supply of fountain system equipments
- Design all projects of the fountain complex, include calculation of the hydraulic and electrical parts

"TUFENKIN HOSPITALITIES" LLC, Areni Wine Hotel Complex General Construction Works, General Contractor Activities

Village Areni 2nd Str., region Vayots Dzor, Armenia

Construction Value: 50 000m²

- The General Contractor's activity within the framework of the complex construction of the hotel: regulation, control, inspection, delivery and acceptance of the works carried out by the Contractor/subcontractor organizations, and implementation of other organizational works.
- Implementation of construction works, supply of goods, materials and services, provision of the required machines or equipment within the scope of the General Contractor's authority and with the involvement of its own labor force and machinery.

"GRAND MASTER" LLC, Administrative building, HVAC

Str. Hrant Vardanyan 8, Masis, Ararat province, Armenia

Construction Value: 1 128 m²

- Supply and installation works of VRF air conditioning and ventilation system
- Supply and installation works of heating system
- Supply and installation works of boiler equipment

"Medical Horizon" LLC, Two-Storey Building

22 H. Vardanyan Str., Masis, Ararat province, Armenia

Construction Value: 1 240 m²

- Preparation works for foundation
- Marking, reinforcement, concreting and waterproofing of the foundation
- Concrete structures construction
- Installation of precast concrete beams
- Waterproofing and installation of drainage system
- Landings construction

- Flat roof construction
- Implementation of external walls

Charitable public organization "SUPPORT FOR WOUNDED SOLDIERS AND MILITARY DISABLED", HVAC

Str. Abovyan 58, Yerevan, Armenia

Construction Value: 4 000 m²

- Calculation, supply of equipment and installation of ventilation, air conditioning and smoke exhaust system
- Installation and adjustment of heat supply units
- Calculation, supply and montage of heating system
- Supply and installation of electrical power distribution boards
- Electric installation works

"TUFENKIAN HOSPITALITY" LLC, Areni Wine Hotel Complex, HVAC

Village Areni 2nd Str., region Vayots Dzor, Armenia

Construction Value: 16 681 m²

- Calculation, supply of equipments and installation works of ventilation, air conditioning, heating and smoke exhaust systems
- Calculation, supply of equipments and installation works of boiler room and heating supply systems (individual heating units)

Mother See of Holy Etchmiadzin, "Candlelighting Gallery and Tomb", HVAC

Vagharshapat, Armavir province, Armenia

Construction Value: 995 m²

- Supply and installation of ventilation, air conditioning and heating systems
- Production and installation of stainless steel air ducts

"Zangezur Copper Molybdenum Combine" CJSC

Lernagortsneri Str., Building 18, Kajaran, Syunik province, Armenia

Construction Value: 13 790 m²

- Development and implementation of technical specifications for the design of aspiration and dust removal systems
- Technical consultation on the installation and operation of filter systems
- According to the results of the introduction of aspiration systems, processing the obtained data on the internal microclimate
- Coordination of a project to minimize air emissions
- Supply of aspiration equipment and accessories, ventilation systems and compressor stations for dust removal systems
- Construction and installation of dust removal aspiration systems, dust collecting metal duct pipelines, support structures, compressed air supply (compressor stations) and power supply system

Gabriel Sundukyan National Academic Theatre

Str. Surb Grigor Lusavorchi 6, Yerevan, Armenia

Construction Value: 1 800 m²

- Reconstruction of boiler room, supply and installation of equipment
- Ventilation and smoke exhaust system calculation of boiler-room, supply and installation of equipment

"Cascade Business Center" Commercial Building, D&W

Antarain 11/1, Yerevan, Armenia

Construction Value: 1 280 m²

- Technical calculation and measurements
- Supply of aluminum profiles and accessories
- Manufacturing, supply and installation of aluminum constructions, sliding doors, facade structures production and glazing

"TUFENKIAN HOSPITALITY" LLC, Areni Wine Hotel Complex, D&W

Village Areni 2nd Str., region Vayots Dzor, Armenia

Construction Value: 2 968m²

- Engineering calculations and measurements
- Import of aluminum profiles, fittings and accessories
- Production, supply and installation of aluminum constructions, doors, automatic sliding doors, windows and facade items

PRIVATE HOUSE, Indoor Pool, D&W

Azatutyan Ave., Yerevan, Armenia

Construction Value: 71 m²

- Technical calculation and measurements
- Supply of aluminum profiles and accessories
- Manufacturing, supply and installation of aluminum constructions, sliding doors

HOTEL LEO 54

Str. Leo 54, Yerevan, Armenia

Construction Value: 4 187 m²

- Supply and construction of air conditioning and ventilation systems
- Construction boiler-house, supply of equipments
- Calculation, supply and montage of heating system
- Supply of equipments, calculation and installation of smoke exhaust system

"TUFENKIAN HOSPITALITY" LLC, Areni Wine Hotel Complex, W&S

Village Areni 2nd Str., region Vayots Dzor, Armenia

Construction Value: 16 681 m²

- Import and supply hot and cold systems, sewerage, roof drainage and pumping station's pipes and accessories
- Montage hot and cold systems, sewerage, roof drainage and pumping stations

PRIVATE HOUSE, Indoor Pool, HVAC

Azatutyan Ave., Yerevan, Armenia

Construction Value: 377 m²

- Supply of inlet-outlet systems with automation and dehumidifier

"DG GROUP" LLC

Arshakunyats Ave. 194/3, Yerevan, Armenia

Construction Value: 102 m²

- Supply and installation of glass doors and accessories
- Manufacturing and glazing of aluminum facade structures

“GRAND TOBACCO” LLC (Production line cooling)

Shahamiryanneri Str., 22 Building, Shengavit, Yerevan 0061, Armenia

Construction Value: 435 m²

- Calculation, installation, running and adjustment works of technology line chiller

“OASIS COMPUTER” LLC

Sayat-Nova Ave., 33/10 Building, Yerevan, Armenia

Construction Value: 100 m²

- Supply of metal columns and montage items

“International Masis Tabak” LLC, Laboratory and administrative parts

Gortsaranain Str., 10 Building, Masis Industrial Hub, Ararat Region, Armenia

Construction Value: 950 m²

- Implementing, supply and installation works of ventilation and air-conditioning systems

“OASIS COMPUTER” LLC, Multifunctional Commercial

Arshakunyats Ave. 194/3, Yerevan, Armenia

Construction Value: 1 050 m²

- Preparations of building foundation
- Formation of a reinforced foundation base, concreting and waterproofing
- Construction of reinforced concrete structures
- Construction of a flat roof
- Waterproofing and installation of drainage system
- Stairs construction

“Isakov Business Center” LLC

Admiral Isakov Ave., 10/16, Yerevan, Armenia

Construction Value: 2 250 m²

- Construction boiler-house, supply of floor standing boilers and other equipments
- Construction and supply of heating system
- Construction and supply of ventilation and air conditioning systems
- Supply & installation of power basement units
- Electro technical works

“Zangezur Copper Molybdenum Combine” CJSC, Office in Yerevan

“Kamar” Business Center, 2 V. Sargsyan Str., Yerevan, Armenia

Construction Value: 1 300 m²

- Construction and installation of ventilation and air conditioning

The museum of Khrimian Hayrik of Mother See of Holy Etchmiadzin

Vagharshapat, Armavir province, Armenia

Construction Value: 1 100 m²

- Complete deconstruction of the roof
- Thermal insulation and waterproofing
- Refractory of the roof treatment

- Construction of the new basement of the roof
- Installation of the dormer windows
- Mounting of copper roofing

Hayordats Tun of Mother See of Holy Etchmiadzin

Vagharshapat, Armavir province, Armenia

Construction Value: 5 000 m²

- Installation works of ventilation system & inlet-outlet ventilation units with automation
- Installation and adjustment of air conditioning and refrigeration units
- Integration and installation of VRF multi zone air conditioning system
- Electrotechnical works
- Construction and reconstruction works

The Cultural House Kajaran City

2 Lernagnatsneri, Kajaran, Syunik province, Armenia

Construction Value: 1 660 m²

- Architectural and area lighting projecting and modeling
- Cinema interior lighting calculation and modeling
- Supply of lighting equipment and mounting author supervision
- Chief installation and programming of the «DALI» control system

“Grand Candy” LLC

55/11 Bagratunyats Str., Yerevan, Armenia

Construction Value: 1 647 m²

- Protective covering of external ducts

“Coca-Cola HBCA” CJSC

3 Azatutyan Ave., Yerevan, Armenia

Construction Value: 230 m²

- Implementing, supply and installation works of ventilation and air-conditioning systems of new visiting center

Gastropolis Food Market

Kamar Business Center, 2 V. Sargsyan Str., Yerevan, Armenia

Construction Value: 685 m²

- Calculation of interior lighting
- Supply of lighting equipment

The museum of Arshile Gorky of Mother See of Holy Etchmiadzin

Vagharshapat, Armavir province, Armenia

Construction Value: 1 100 m²

- Calculation and installation works of air conditioning and ventilation recirculation systems
- Calculation and installation works of compressor-condenser unit of refrigeration system
- Reconstruction of roof, repair works of roof cover and waterproofing
- Interior finishing works
- Calculation and installation works of antifreeze automation systems

“Grand Candy” LLC

55/11 Bagratunyats Str., Yerevan, Armenia

Construction Value: 13 596 m²

- Calculation of air conditioning and ventilation systems
- Installation of inlet-outlet ventilation systems with automation
- Installation and adjustment of air conditioning and refrigeration units
- Construction and installation of hydraulic manifolds and pipelines
- Electrotechnical works

Mother See of Holy Etchmiadzin, Patriarchate Residence

Vagharshapat, Armavir province, Armenia

Construction Value: 20 m²

- Supply, installation and launch of fountain system

“Medical Horizon” LLC

22 Gortsaranain Str., Masis, Ararat province, Armenia

Construction Value: 650 m²

- Supply and installation of air conditioning and ventilation systems

“Park Village” Hotel

18/4 Pahlavunyats Str., Tsaghkadzor, Kotayk province, Armenia

Construction Value: 2 200 m²

- Supply and installation supervision of lighting equipment

“Old Norq” Business Center

20 G. Hovsepyan Str., Yerevan, Armenia

Construction Value: 22 460 m²

- Supply of air conditioning and ventilation systems
- Supply of heating systems
- Supply of floor heating systems and other equipment for boiler room

“Zeppelin Armenia” LLC, Production Areas

4 Artadrakan, 2 district, Abovyan, Kotayk province, Armenia

Construction Value: 1 414 m²

- Electrical wiring of production areas
- Planning, supply and installation of lighting equipment for production areas

“Coca-Cola HBCA” CJSC, Offices

3 Azatutyan Ave., Yerevan, Armenia

Construction Value: 160 m²

- Supply and installation of multi zone ventilation system at the offices

Private House in Ashtarak

Ashtarak, Aragatsotn province, Armenia

Construction Value: 2 900 m²

- Supply of air conditioning and ventilation systems
- Supply of heating systems

- Supply of floor heating systems and other equipment for boiler room

“Zeppelin Armenia” LLC, Construction of The Boiler House

4 Artadrakan, 2 district, Abovyan, Kotayk province, Armenia

Construction Value: 4 464 m²

- Construction of the boiler house and heating of industrial areas
- Supply of the heating equipment for industrial areas and boiler house

“Coca-Cola HBCA” CJSC, Bathrooms and Checkrooms

3 Azatutyan Ave., Yerevan, Armenia

Construction Value: 200 m²

- Ventilation and construction finishing works in bathrooms and checkrooms

“TEGHOUT” CJSC's Restaurant of Community of Mining Industry

Teghout community, Lori province, Armenia

Construction Value: 1 000 m²

- Projecting of interior lighting
- Supply of lighting equipment

“International Masis Tabak” LLC, Canteen

10 Gortsaranain Str., Masis industrial hub, Ararat province, Armenia

Construction Value: 970 m²

- Calculation, supply and installation of air conditioning and ventilation systems

“Coca-Cola HBCA” CJSC, Workshop of Syrup Production

3 Azatutyan Ave., Yerevan, Armenia

Construction Value: 135 m²

- Supply and installation of inlet and outlet ventilation systems

“Tufenkian Historic Yerevan” Hotel Complex

48 Hanrapetutyan Str., Yerevan, Armenia

Construction Value: 1 600 m²

- Projecting of architectural and landscape lighting
- Supply and installation of lighting equipment

The Central Square of Kapan City

Kapan, Syunik province, Armenia

Construction Value: 1 900 m²

- Supply and installation of fountain system
- Installation and commissioning of fountain system
- Electrical wiring
- Modeling and calculation for external lighting
- Supply and installation of lighting equipment and lighting columns
- Projecting and calculation of architectural lighting
- Installation works

“Coca-Cola HBCA” CJSC, Warehouses of Finished Products

3 Azatutyan Ave., Yerevan, Armenia

Construction Value: 1 550 m²

- Supply of industrial fan coils
- Equipment’s integration of heating and cooling systems
- Installation of heating pipelines and fan coils
- Installation of heating system

“TEGHOUT” CJSC's Hotel of Community of Mining Industry

Teghout community, Lori province, Armenia

Construction Value: 4 290 m²

- Projecting of architectural-façade and interior lighting
- Supply and installation supervision of lighting equipment

“Zeppelin Armenia” LLC

4 Artadrakan, 2 district, Abovyan, Kotayk province, Armenia

Construction Value: 1 044 m²

- Supply of lighting equipment
- Installation works

“Dargett” beerhouse

72 Aram Str., Yerevan, Armenia

Construction Value: 672 m²

- Calculation, supply and installation of heating and ventilation systems
- Calculation, supply and installation of air conditioning systems
- Installation of internal sewerage and water supply system
- Electrical wiring
- Projecting, supply and installation of façade and interior lighting equipment

“Coca-Cola HBCA” CJSC Bottling production site

3 Azatutyan Ave., Yerevan, Armenia

Construction Value: 600 m²

- Supply and installation of ventilation and air conditioning systems

Private House in Dzoraghbyur

Dzoraghbyur, Kotayk province, Armenia

Construction Value: 3 000 m²

- Supply of lighting equipment

The Printing House of Mother See of Holy Etchmiadzin

Vagharshapat, Armavir province, Armenia

Construction Value: 1 740 m²

- Calculation and installation of ventilation and air conditioning recovery system
- Calculation and installation of central refrigeration and air conditioning system

“Republica” Hotel

7 Amiryan Str., Yerevan, Armenia

Construction Value: 3 180 m²

- Installation of power supply unit for main and internal junctions
- Calculation, supply and installation of heating and ventilation systems
- Calculation, supply and installation of air conditioning systems
- Installation of internal and external sewerage, water supply system and the pumping station
- Projecting, supply and installation of interior, exterior and façade lighting equipment

“Boghossian Gardens” Foundation

21 M. Bagrhamyan Ave., Yerevan, Armenia

Construction Value: 17 240 m²

- Supply of lighting equipment

“METROPOL” Hotel

2/2 M. Mashtots Ave., Yerevan, Armenia

Construction Value: 1 800 m²

- Projecting of outdoor and façade lighting
- Supply of lighting equipment

“International Masis Tabak” Tobacco Processing Factory

10 Gortsaranain Str., Masis industrial hub, Ararat province, Armenia

Construction Value: 2 800 m²

- Calculation, supply and installation of recirculating ventilation systems and air conditioning

“Vallex Garden Hotel” Banquet Hall

35 N. Stepanyan Str., Stepanakert, NKR

Construction Value: 250 m²

- Projecting of interior lighting, supply of lighting equipment

“Vallex Garden Hotel” Sports Swimming Pool

35 N. Stepanyan Str., Stepanakert, NKR

Construction Value: 580 m²

- Projecting of interior lighting
- Supply and installation of lighting equipment

“Achajur” Cafe

22 G. Parpetsi Str., Yerevan, Armenia

Construction Value: 120 m²

- Calculation, supply and installation of air conditioning and ventilation multi zone VRF system
- Supply of interior lighting equipment

“Eurasia Partnership Foundation” Office

23 apt., 1/21 Azatutyan Ave., Yerevan, Armenia

Construction Value: 1 428 m²

- Supply of lighting equipment

“Vallex Garden Hotel” Hotel Complex

35 N. Stepanyan Str., Stepanakert, NKR

Construction Value: 15 000 m²

- Projecting of landscape and architectural lighting
- Electrical wiring
- Supply and installation of lighting equipment

“Ingo Armenia” ICJSC

51/53 Hanrapetutyany Str., Yerevan, Armenia

Construction Value: 765 m²

- Installation of power supply unit for the main and internal junctions
- Supply and installation of heating systems and water and sewerage systems
- Calculation, supply, installation of ventilation systems and air conditioning

“Mika” Football Stadium

41 Manandyan Str., Yerevan, Armenia

Construction Value: 3 800 m²

- Projecting and calculation of football stadium lighting
- Supply and installation of lighting equipment

“FILADE” LLC Office

1/73 G. Sundukyan Str., Yerevan, Armenia

Construction Value: 80 m²

- Electrical wiring
- Calculation, supply and installation of air conditioning and ventilation systems
- Supply and installation of heating system
- Projecting of façade and interior lighting, supply and installation of lighting equipment

“Aquatus” Shopping Mall

31 Acharyan Str., Yerevan, Armenia

Construction Value: 1 351 m²

- Supply and installation of the equipment of main power supply
- Calculation, supply and commissioning of air conditioning, inlet and outlet system of ventilation
- Projecting of interior lighting, supply and installation of lighting equipment

“Masisi Gofrotara” LLC

10 Gortsaranain Str., Masis industrial hub, Ararat province, Armenia

Construction Value: 1 800 m²

- Calculation, supply and installation of air conditioning and recirculating ventilation systems

“Dalma Garden Mall” Shopping Mall

3 Tsitsernakaberd highway, Yerevan, Armenia

Construction Value: 5 700 m²

- Design, supply and installation of fountain systems

“Renaissance” Restaurant Complex

2 Shirak Str., Yerevan, Armenia

Construction Value: 960 m²

- Projecting of architectural lighting
- Supply and installation of lighting equipment

“Dalma Garden Mall” Shopping Mall

3 Tsitsernakaberd highway, Yerevan, Armenia

Construction Value: 9 500 m²

- Projecting of territorial lighting and electrical wiring
- Supply and installation of lighting equipment and columns for external lighting

“Vallex Garden Hotel” Hotel Complex

35 N. Stepanyan Str., Stepanakert, NKR

Construction Value: 2 500 m²

- Projecting of interior lighting
- Electrical wiring
- Supply and installation of lighting equipment

Multifunctional Residential Building

86 Aram Str., Yerevan, Armenia

Construction Value: 11 465 m²

- Installation of water and sewerage junctions and vertical communications
- Installation of main power supply unit and distribution boards
- Calculation, supply and installation of pumping station and ventilation system

“SIR-ANG” Beauty Center

6/1 Vardanants Str., Yerevan, Armenia

Construction Value: 350 m²

- Electrical wiring
- Installation of water supply and sewerage systems
- Installation of heating, ventilation and air conditioning systems

“Dolphin” Showroom

28 Moskovyan Str., Yerevan, Armenia

Construction Value: 100 m²

- Projecting of exterior and interior lighting
- Supply and installation of lighting equipment

“Vallex Garden Hotel” SPA Center

35 Nelson Stepanyan Str., Stepanakert, NKR

Construction Value: 190 m²

- Projecting of interior lighting
- Supply and installation of lighting equipment

Private House

2 district, Nor Norq, Yerevan, Armenia

Construction Value: 320 m²

- Electrical wiring
- Calculation and installation of heating systems, water and sewerage

P. Buzand Street

Yerevan, Armenia

Construction Value: 900 m²

- Supply and installation of exterior sewerage systems and manholes

Slav Group CJSC

1 Haghtanak district, Yerevan, Armenia

Construction Value: 3 000 m²

- Projecting of outdoor lighting
- Supply of lighting equipment and metal posts for outdoor lighting

Armenia International Airports CJSC

"Zvartnots" Airport, Yerevan, Armenia

Construction Value: 500 m²

- Supply of lighting equipment

Hay Post CJSC Service Centers

Yerevan, Armenia

Construction Value: 1 500 m²

- Supply and installation of air conditioners

Absolute Sound Specialized Shop of New Technologies

5 North ave., Yerevan, Armenia

Construction Value: 320 m²

- Supply and Installation of air conditioning and ventilation systems

Yerevan Ararat Brandy-Wine-Vodka Factory

9 Tsovakal Isakov Ave., Yerevan, Armenia

Construction Value: 8 200 m²

- Projecting of architectural and façade lighting

Multifunctional Residential Building

61 Lalayants Str., Yerevan, Armenia

Construction Value: 3 600 m²

- Installation of water and sewerage junctions and vertical communications

- Installation of main power supply unit and distribution boards
- Electrical wiring of cables for media

House of Culture of Dsegh

Dsegh, Lori Province, Armenia

Construction Value: 450 m²

- Supply of stage professional lighting equipment

Private House

Goght, Kotayk province, Armenia

Construction Value: 1 245 m²

- Supply of lighting equipment

Multifunctional Residential Building

45/47 P. Busand Str., Yerevan, Armenia

Construction Value: 4 000 m²

- Installation of internal and external water and sewerage junctions and vertical communications

Sincerely

"WAECON" LLC
